

Nice to meet you (SCAM, SPAM)

Spamming is the use of messaging systems to send an unsolicited message (spam), especially advertising, as well as sending messages repeatedly on the same website. While the most widely recognized form of spam is email spam, the term is applied to similar abuses in other media: instant messaging spam, Usenet newsgroup spam, Web search engine spam, spam in blogs, wiki spam, online classified ads spam, mobile phone messaging spam, Internet forum spam, junk fax transmissions, social spam, spam mobile apps, television advertising and file sharing spam.

A **scam** is an illegal trick, usually with the purpose of getting money from people or avoiding paying tax.

Hello Dear,

My name is Miss Sophie Kurd, 23 year old girl from Kobani a city in the Aleppo Governorate in northern Syria and presently I am residing and working as a refugee in Senegal as a result of the killing of my family by the the ISIS fighters on the year 2015 popularly know as 'Kobani Massacre' that was carried out by the Daesh/ISIS fighters, please don't be discouraged for hearing this. I believe deep down inside me that you will never break my heart or let me down in anyway.

I am from the family of late (Dr.Hemin Kurd).My late father

(Dr.Hemin Kurd),was the Mayor of the city of Kobani and also the Head of Aleppo Investment Authority.The brutal killing of my family took place one early morning by the Daesh/ISIS fighters as a result of the civil war that is partially going on until now in Syria. I was in my first year in University of Al-Shahba University studying Arts and Humanities before the death of my loved family. I contacted you for a possible help. My uncle immediately took the position of my late father and he was a very wicked person and he intend to kill me since my father and my real biological mother is death. Then he planned to take away my entire late father's property and some other valuable things from me since the unexpected death of my beloved family.

I managed to escape with the documents which covers my late father's deposited money \$6.2 MD(Six Million Two Hundred Thousand US Dollars).which he used my name as the next of kin. Meanwhile,I am still residing here as a refugee under the UNITED NATIONS COUNCIL FOR REFUGEES,i am saddle with the problem of securing a trust worthy foreign personality to help me transfer the money from the bank pending my arrival in your country cause I will like to see you face to face soon.

Meanwhile I wanted to find my way out of my country because I have seen what he is planning to do to me.I thereby plan to go to Europe, America or other part of the World,but I don't have international passport and with the conflicts in Kobani as at that time I cannot be going to apply for international passport.That is how I managed to cross the border and enter Turkey because it is not far from Kobani and many people are crossing to Turkey at that time so I joined them and crossed over to Turkey.It was in my presence that the Turkish soldiers gunned down Kader Ortakaya a famous woman activist at the Turkey and Syria border.A lot happened during this conflict,it was awful,I only thank God that I'm alive today.

I know you will be surprised how I managed to get to Senegal

since I don't have international passport,I managed to reach here with the help of International Red Cross and Red Crescent Movement,they were moving people away from the Turkish border because of the border insecurity so they moved some people to Canada,some to Germany and Italy and few to Morocco and Senegal.I decided to come to Senegal because when my late father was alive he used to import phosphate from Senegal and he has his business partners/associates there,this is why I choose to come to Senegal to know if I can meet one of my late father's business partner but since I arrived here I have been trying to get him but the phone is switched off and I don't know his company address.

You can reach me through this number (+221 77 320 29 28) It is a Reverend Fathers phone number,by name Reverend James Fred and email (revjamesfred93@yahoo.com) he is the person that is in-charge of the camp even it's his office computer I'm using to send you an email any time he is less busy in his office because there's no computer at the camp hostel except in his office.If you call, please ask of Sophie Kurd.When ever you call,try to tell him that you want to speak with Sophie Kurd,I am staying in the female hostel.I have already inform him,that some one will call me through his phone.He will send for me from the hostel to come and speak with you.So please do not fail to call me,because I need to hear your voice too.

Nevertheless on your wish to help me out I will like to have your data such as

- 1.Your Full name
- 2.Your country
- 3.Your occupation.
- 4.Your phone or fax number.
- 5.Your age

Once I receive your data I will give you the contact and information of the bank where the money was deposited for you to contact them for confirmation in regards.

I am revealing my secret to you, because I need help and I actually prayed that i will get help from you, As you know one must certainly trust person notwithstanding the time we have known. For me I trust you and I also urge you to trust me. The bank refused to give me this money because of my refugee status here in Senegal as the law of Senegal do not allow a refugee to per take in anything concerning money and I don't have any bank account where the money will be transferred that was why I contacted you because I do not permit to do that also the bank has advise me to nominate any foreign partner I trusted that is why I come to you in this regard.

Yours sincerely,

Sophie
