

Uso de hilos en Python

[crayon-6a9d575657807549598892/]

A terminal window with a dark background and light gray text. The window title bar shows 'lamac' and '-zsh' with a size of '112x31'. The prompt is 'lamac@lamacs-MacBook-Air-2 ~ %'. The command 'python3.7 hilos.py' has been executed. The output shows 'Hilo 1:' followed by numbers 0 through 9 on separate lines. Then, 'Hilo 2: Hola desde el segundo hilo' is printed. This is followed by 'Los hilos han terminado' on a new line. The prompt returns to 'lamac@lamacs-MacBook-Air-2 ~ %'.

```
lamac@lamacs-MacBook-Air-2 ~ % python3.7 hilos.py
Hilo 1: 0
Hilo 1: 1
Hilo 1: 2
Hilo 1: 3
Hilo 1: 4
Hilo 1: 5
Hilo 1: 6
Hilo 1: 7
Hilo 1: 8
Hilo 1: 9
Hilo 2: Hola desde el segundo hilo
Los hilos han terminado
lamac@lamacs-MacBook-Air-2 ~ %
```
