

Crear un formulario en Python con PyQt5

The image shows a screenshot of a PyQt5 application window titled "Formulario con PyQt5". The window has a dark gray background and a title bar with three colored buttons (red, yellow, green) on the left. Inside the window, there are two labels: "Nombre:" and "Edad:". Below "Nombre:" is a text input field with a blue border. Below "Edad:" is a text input field with a dark gray border. At the bottom of the window is a button labeled "Enviar".
