

¿Cómo veo los eventos activados en un elemento en Chrome DevTools?

Nos situamos encima del elemento
que queremos ver los eventos y
pulamos el botón de la derecha y
la opción inspeccionar de las
DevTools de Chrome

Vamos al apartado consola dentro de
las DevTools y escribimos

[crayon-6a9d5e51cd985894291780/]

Chromium DevTools Console showing messages and events.

Messages:

- 603 messages
- 594 user messages
- No errors
- 1 warning
- 594 info
- 8 verbose

Console Log:
