

Tendencias actuales en el buscador de Google con PowerShell

[crayon-6a9d57fd92277190340816/]

The screenshot shows the Windows PowerShell ISE interface. The menu bar includes Archivo, Editar, Ver, Herramientas, Depurar, Complementos, and Ayuda. The toolbar contains icons for file operations and execution. A script file named 'Sin título1.ps1*' is open, containing three lines of PowerShell code. The console window shows the execution of these commands, resulting in a list of trending topics from Google Trends. The status bar at the bottom indicates 'Completado' and shows the current line and column as 'Lín. 3 Col. 50' with a zoom level of 95%.

```
Sin título1.ps1* X
1 $url="https://www.google.es/trends/"
2 $result = Invoke-WebRequest $url
3 $result.AllElements | Where Class -eq "hottrends-single-trend-title ellipsis-maker-inner" | %{$_.innerText}

PS C:\Users\juan> $url="https://www.google.es/trends/"
$result = Invoke-WebRequest $url
$result.AllElements | Where Class -eq "hottrends-single-trend-title ellipsis-maker-inner" | %{$_.innerText}
Emily Ratajkowski
Fidel Castro
Real Madrid Hoy

PS C:\Users\juan>
```

Completado | Lín. 3 Col. 50 | 95 %
